GOVERNMENT OF INDIA  
MINISTRY OF COMPANY AFFAIRS

ORDER

- 1) A Joint Application was filed under Section 391-394 of the Companies ACT, 1956 (hereinafter referred to as "the Act") praying for sanction of the Scheme of Amalgamation of Kochi Refineries Ltd. (hereinafter referred to as "KRL" or "Transferor Company") with Bharat Petroleum Corporation Ltd. (hereinafter referred to as "BPCL" or "Transferee Company"). The registered office of the Transferor Company is located in the district of Ernakulam, in the State of Kerala. The registered office of the Transferee Company is located in Mumbai, in the State of Maharashtra. The Transferor Company is a Government Company within meaning of Section 617 of the Companies Act, 1956 and is a subsidiary of the Transferee Company. The Transferee Company is also a government company within the meaning of Section 617 of the Companies Act, 1956 and the majority of its shareholding is legally and beneficially owned by the President of India on behalf of the Government of India.
- 2) Desirous of availing the strategic advantages and synergies arising out of their operation and to facilitate smooth implementation of KRL's modernization and expansion programme, the Board of Directors of the Transferor Company as well as the Transferee company have, in their respective Board Meetings both held on 17th January, 2005 approved the Scheme of Amalgamation, hereinafter referred to as "The Scheme", of the Transferor Company with the Transferee Company. The Ministry of Petroleum and Natural Gas, Government of India, under whose administrative control both KRL and BPCL are functioning, accorded its approval and consent on 27<sup>th</sup> August, 2005 to the Scheme.
- 3) Prior to the filing of the aforesaid Joint Petition praying for sanction of the Scheme, the Transferor Company and the Transferee Company had filed applications submitting the Scheme and praying for directions to dispense with the requirement to convene meetings of the creditors of the Transferor Company and the creditors of the Transferee Company respectively.
- 4) On 28<sup>th</sup> November, 2005 on furnishing of an undertaking by both KRL & BPCL to publish notice seeking objections from the public and that the applicant Companies would have no objection to the objectors being heard, an Order was issued granting exemption from holding the meeting of creditors of the Transferor and Transferee companies. This was without prejudice to the inherent powers of the Central Government to reconsider the grant of such exemption and to order calling for the creditors meeting depending upon the number and monetary quantum involved in regard to objections, if any, from creditors. The grant of such exemption is consistent with the Judgment of Bombay High Court in the matter of ICICI Limited, In re (2002) 36 SCL 682 (Bombay). Both KRL and BPCL were further directed to convene the meetings of their respective shareholders for the purpose of considering the

Scheme. In the said order, dated 28<sup>th</sup> November, 2005 it was further directed that Shri Ashok Sinha, the Chairman and Managing Director of BPCL, the Transferee Company would act as the Chairman of the meeting of shareholders of BPCL and Mr. Justice Santosh N. Hegde, (Retired), 101, Tees January Marg, New Delhi as Chairman to conduct the said meeting for the transferor company.

- 5) It is noted that pursuant to the said order dated 28<sup>th</sup> November, 2005 the notice convening the meeting of the equity shareholders of the Transferor and Transferee Companies were duly published in the newspapers.
- 6) The meeting of the equity shareholders of BPCL was duly convened and held on 16<sup>th</sup> January, 2006 in accordance with the aforesaid order dated 28<sup>th</sup> November, 2005. At the said meeting equity shareholders of the transferee company representing 99.98% of paid up share capital of BPCL, duly approved the Scheme of Amalgamation.
- 7) The meeting of the equity shareholders of KRL was also duly convened and held on 21<sup>st</sup> January, 2006 in accordance with the aforesaid order dated 28<sup>th</sup> November, 2005. At the said meeting equity shareholders of the Transferor Company representing 99.33% of paid up share capital of KRL, duly approved the Scheme of Amalgamation.
- 8) The reports of Shri Ashok Sinha and of Hon'ble Mr. Justice (Retd.) Santosh N. Hegde, Chairmen of the meetings of the shareholders of BPCL and KRL, respectively, were also filed and those reports show that the Scheme of Amalgamation has been duly approved by the equity shareholders of BPCL, the Transferee Company and KRL, the transferor company respectively.
- 9) Subsequently, on 3<sup>rd</sup> February, 2006 the Transferor Company and the Transferee Company filed the present joint petition for the sanction of the Scheme of Amalgamation.
- 10) The preliminary hearing of the said joint petition for the sanction of the scheme of amalgamation was held on 9<sup>th</sup> March, 2006 and by an order dated 9<sup>th</sup> March, 2006 the date of final hearing of the said petition was fixed on 17<sup>th</sup> April, 2006. Direction was also issued for publication of notice of such final hearing once in English in Times of India, Mumbai Edition and in Marathi In Maharashtra Times having circulation in the state of Maharashtra, as also in English in New Indian Express, Kochi edition and in Malayalam in the Matribhumi, having circulation in the State of Kerala, and for issuance of notice of the said joint petition for sanction of the Scheme to the following officers:-
  - (i) The Regional Director (WR), Ministry of Company Affairs, Everest, 5<sup>th</sup> Floor, 100 Marine Drive, Mumbai - 400 002.
  - (ii) The Regional Director (SR), Shastri Bhawan, Block-1, 5<sup>th</sup> Floor, 26 Haddows Road, Chennai - 600 006.
  - (iii) The Registrar of Companies, 100, Everest, Marine Drive, Mumbai - 400 002.
  - (iv) The Registrar of Companies, Company Law Bhawan, BMC Road, Thrikkakara P.O., Kochi-682 021.

(v) The Official Liquidator, Attached to the High Court of Kerala, Company Law Bhawan Thrikkakara P.O., Kochi - 682 021.

- 11) No creditor either of KRL, the Transferor Company or BPCL, the Transferee Company has filed any objection to the Scheme of Amalgamation.
- 12) Objections were, however, received from certain shareholders of Kochi Refineries Limited namely CD, Equifinance Pvt. Limited, Shri Hasmukh Lal and others and Mr. Dinesh Trivedi represented by Shri Kunal Tandon, Smt. Savita Sinha and Shri Vaibhav Gager, Advocates respectively. A hearing was given to them on 17.04.2006. Their main objection was that the scheme of amalgamation was not in the Interest of shareholders of transferor company specifically minority shareholders. It was also stated that in the light of glaring difference in the performance of two companies, swap ratio has been fixed without proper application of mind. The scheme was intended for the benefit of the transferee at the cost of minority shareholders of the transferor company. After hearing their objections time was allowed for detailed hearing. On 22<sup>nd</sup> May 2006 the objections were again heard, Mr. Vaibhav Gagar, advocate on behalf of the objectors, submitted that the Scheme of Amalgamation should be dismissed as the interest of minority shareholders were not taken into account while fixing swap ratio of 1:2.25 i.e. four fully paid up equity shares of Rs.10 each of BPCL for every nine fully paid up equity shares of KRL.
- 13) Shri T. N. Subramaniam, Sr. Advocate representing BPCL and KRL submitted that this swap ratio and valuation was based on the recommendations of M/s. ICICI Securities Limited and M/s. N.M.Raiji & Co. This has been further confirmed by M/s Ernst & Young. This is also supported with the judgements of the Hon'ble Supreme Court namely, Miheer H. Mafatlal vs. Mafatlal Industries Limited (1996, 87, company cases, 792) and Hindustan Lever Employees Union vs. Hindustan Lever Limited (1994, 83, company cases 30). The counsel for M/s. CD Equifinance was asked to indicate whether he had any other recommendation by any other expert agency in this respect to substantiate his claim that the swap ratio arrived at by the above three different agencies was not correctly arrived at. The learned Counsels for M/s. CD Equifinance could not submit any such report. It was however, contended that once the amalgamation was announced, the price of the shares of KRL started moving downwards which showed that the market had perceived that the proposed amalgamation was against the interest of shareholders of the transferor company. On their request that they would make additional written submissions in this respect, vide order dated 30<sup>th</sup> May 2006, three weeks time was given to them to file their written submissions, if any, with a copy to the companies, who were directed to make their replies to the said written submissions within one week of the expiry of three weeks time.
- 14) The written submissions made by learned Counsel for M/s. CD Equifinance Limited and replies thereto filed by the companies have been gone into. It is seen that M/s. CD Equifinance have only reiterated their objections already made in the previous hearing. In addition, it has been stated by the said objecting shareholders that the Ministry of Company Affairs had no jurisdiction to entertain the present amalgamation proceedings and that Notification GSR No.

238 dated 2.2.1978 issued under Section 620 of the Companies Act, 1956 was void and unconstitutional.

- 15) The learned advocates of the objecting shareholders have been heard and their objections considered. It is clear that the swap ratio has been arrived at on the recommendations of three expert agencies as already stated. On the other hand the objecting shareholders have not been able to submit any report or analysis of any other expert agency which may indicate that swap ratio was in any way biased against the shareholders of KRL or suffering from any other defect. Nor have the objecting shareholders, representing less than 1% of the shareholding of the company moved any application for relief under Section 397/398 of the Companies Act against any oppression by the management. In so far as the Jurisdiction of Ministry of Company Affairs to entertain the present application for amalgamation is concerned, it is clear that it has the necessary jurisdiction by virtue of Notification No. GSR 238 dated 02.02.1978 (published in Gazette of India on 11.02.1978) issued under Section 620 of the Companies Act, 1956. It is also noted that a copy of every such notification is required to be laid in draft before both the Houses of Parliament for approval before Issue. Hence, there is no basis in the submissions made by the learned counsel for the objecting shareholders that this Ministry lacks jurisdiction to decide this case. Therefore, I am of the opinion that the above said objections from shareholders are not tenable and must be set side.
- 16) A representation was also received from Cochin Refineries Workers Association. Their main objection was that whereas it had been stated In clause 6.1 of the Scheme that terms and conditions of service applicable to employees shall not be less favorable than those applicable to them prior to the effective date, no written confirmation had been given by the BPCL management that the various benefits extended through various office orders would continue to be extended to the employees of KRL subsequent to the merger. A hearing was given to the representatives of both the employees as well as KRL and BPCL in this respect on 26.06.2006. The representative of the company informed that there are enough safe guards in the scheme to protect interest of employees of the company, it was clearly stated in para 6 of the scheme that the terms and conditions of service applicable to such officers and employees shall be not less favorable than those applicable to them respectively prior to the effective date. As such it did not require any separate confirmation from the company that whatever benefits these employees are getting at present will continue to be enjoyed by them even after amalgamation. After hearing the representative of the employees and the company, I am of the opinion that the safeguards in this Scheme addresses the concerns of employees expressed through the said objection and that the apprehensions of the Cochin Refineries Workers Association in this regard were unfounded.
- 17) Objection was also raised by Cochin Refineries Officers' Association to the proposed Scheme. They have demanded that the pay and allowances etc. of the officers of the transferee company which according to them are more favorable as compared to their existing pay and allowances shall be extended to the officers of the transferor company. Also that the officers of transferor company shall not be transferred outside by the transferee company without their written consent. The Officers Association were given a hearing in this respect at 2.30 pm on 26.6.2006.

The representative of the company stated that the interests of the objectors namely Cochin Refineries Officers' Association had been taken care of in the Scheme. It was provided that their pay and allowances etc. shall not be altered to their disadvantage after amalgamation. Thus they would, in the least, continue to enjoy whatever they were enjoying at present. Insofar as extension of pay and allowances of the Transferee Company, it was submitted that the nature of jobs performed by the employees of both the companies were different and the respective pay and allowances were based on different parameters.

I have gone through the objections raised by the Officers' Association and the reply given by the company. The Scheme provides that the pay and allowances of the Officers of the transferor company would not be changed to their disadvantage after the amalgamation. However, I do not find any substance in the objection of the Officers Association that the allowances and perks being enjoyed by the Officers of BPCL should be extended to the officers of KRL after the amalgamation. The two companies work in two different environment and therefore, cannot be treated at par in all respects. Moreover, this is not the forum where the eligibility of any employee for a particular level of remuneration would be decided. Since, the Scheme provides that the pay and allowances of the Officers would not be varied to their disadvantage, it is sufficient to ensure that the proposed Scheme would not cause any undue hardship on the officers since they would continue to enjoy, in the least, the pay and benefits available to them at present. Objections filed by Officers Association are therefore, not found to be tenable.

18) The notices for final hearing as stated in Para 10 were duly published in the newspapers. The reports of Regional Director (WR) and (SR) alongwith ROC, Kerala and Mumbai and Official Liquidator, Kerala were also filed and duly considered. In sum, the objections filed by Individual unions and associations have each been heard as a part of this proceeding and in context of the provisions made in the Scheme that would protect the existing terms and conditions of service of the employees, duly disposed of. As to the swap ratio, it is clear that this is an assessment that has to be arrived at by an expert on application of the relevant technical expertise. An assessment that is so arrived at and has thereafter been considered and approved by a special resolution adopted by company cannot lightly be discarded or swept away unless it is established that it is patently based on wrong principles. The Transferor Company have submitted that the swap ratio is based on the evaluation of three expert agencies and has been approved by an overwhelming majority of their shareholders. No detailed submission by any expert had been made in this case by the objecting shareholders even though adequate opportunity was provided to all concerned. The arrangement that has been found in order by the experts and has been ratified by overwhelming majority of shareholders cannot, therefore, be wished away on the basis of unfounded impressions. Further, it is not appropriate for adjudicating forum to itself enter into the detailed valuation and calculations where an assessment has been made by an expert. There is adequate opportunity given as a part of the process itself or all aspects of the scheme to be seen by the stakeholders, in this case the shareholders of the company.

- 19) In the Petition it is specifically provided that upon amalgamation the transferor company would stand dissolved. This is taken note of. It has been held that true effect of an amalgamation largely depends upon the terms of the scheme of merger. There cannot be any doubt that, when two companies amalgamate and merge into one, the transferor company loses its entity as it ceases to have its business. While the respective rights and liabilities of both Transferor and the Transferee are determined under the Scheme of Amalgamation, the corporate entity of the transferor, company ceases to exist with effect from the date the amalgamation is made effective.
- 20) In the aforesaid circumstances and having regard to the averments made in the petition and material placed on record and affidavit filed in pursuance to the application, and considering the objections filed by the aforesaid parties to the sanction of the Scheme of Amalgamation and submissions made by them as also the transferor and transferee companies and further considering the reports of the Regional Directors, Registrar of Companies and Official Liquidator attached to the High Court of Kerala, I, on behalf of the Central Government, am of the view the Scheme of Amalgamation of the Transferor Company with the Transferee Company is in order and hence sanction of the Scheme of Amalgamation and prayers made in the said joint petition deserves to be allowed
- 21) Now, therefore, the sanction of the Central Government is hereby accorded to the Scheme of Amalgamation (being Annexure "E" to the Petition) of Kochi Refineries Limited, the Transferor Company with Bharat Petroleum Corporation Ltd., the Transferee Company under Section 391 (2) read with Section 394 of the Act. The Scheme of Amalgamation shall be binding on the shareholders and creditors of the Transferor and Transferee Companies and all concerned with effect from 01.04.2004 being the appointed date under the said scheme.
- 22) Consequent to the amalgamation of the Companies, and the scheme becoming effective:
- a) the transferor company shall stand dissolved without the process of winding up;
  - b) all the property, rights and powers of KRL, the transferor company specified in the schedule hereto and all the other property, rights and powers of KRL, the transferor company shall be transferred without further act or deed to BPCL, the transferee company and accordingly the same shall, pursuant to section 394(2) of the Companies Act, 1956, be transferred to and vest in BPCL, the transferee company for all the estate and interest of KRL, the transferor company therein;
  - c) all the liabilities and duties of KRL, the transferor company shall be transferred without further act or deed to BPCL, the transferee company and accordingly, the same shall, pursuant to section 394(2) of the Companies Act, 1956, be transferred to and become the liabilities and duties of BPCL, the transferee company; and
  - d) all proceedings, now pending by or against KRL, the transferor company shall be continued by or against BPCL, the Transferee company.

23) It is further ordered that the parties to the Scheme of Amalgamation or other persons interested in the scheme shall be at liberty to apply to the Ministry of Company Affairs for any direction that may be necessary in regard to working of the said Scheme of Amalgamation.

24) It is further ordered that Transferor and Transferee Companies do file with the respective Registrar of Companies a certified copy of this order within 30 days of the receipt of the same. A copy of the order be made available to the Transferor and Transferee companies.

GOVERNMENT OF INDIA  
MINISTRY OF CORPORATE AFFAIRS  
(Hearing held on 02.05.2018)

Confirmation petitions were filed on 1<sup>st</sup> May, 2018 by Petronet CCK Limited in this Ministry u/s 230-232 of the Companies Act, 2013 praying for confirmation and sanction of the Scheme of Amalgamation of Petronet CCK Limited (Transferor company) with Bharat Petroleum Corporation Limited (Transferee company).

2. The Transferor Company, Petronet CCK Limited was incorporated on 18.06.1998 and is a Government Company under Section 2(45) of the Companies Act, 2013. The Registered Office of the Transferor Company is situated at C/O Bharat Petroleum Corporation Limited, New Oil Installation Irimpanam, Ernakulum, Kochi. The main objects of the company are to take over the pipeline project of BPCL in respect of pipeline between Cochin-Coimbatore-Karur, laying, constructions, maintain, protect, repair, refurbish the CCK pipeline for optimum use etc.

3. The Transferee Company, Bharat Petroleum Corporation Limited was incorporated on 03.11.1952 in the name of Burmah-Shell Refineries Limited and renamed as Bharat Petroleum Corporation Limited on 01.08.1977 and is a Government Company under Section 2(45) of the Companies Act, 2013. The Registered Office of the Transferee Company is situated at Bharat Bhavan, 4 and 6 Currimbhoy Road, Ballard Estate, Mumbai-400 001. The main objects of the company is to plan, promote, organize and implement programmes for the development of petroleum resources, petroleum and petroleum products, alternate resources of energy, production and distribution of petroleum and other products and matters connected therewith.

4. In accordance with the Government of India notification GSR 582 (E) dated 13.06.2017, the powers under section 230-232 of the Companies Act, 2013 have been conferred on the Central Government in respect of Government Companies. Therefore, the Central Government in the Ministry of Corporate Affairs has the jurisdiction to hear and decide the present petition.

5. The brief facts of the case are that the Scheme proposes amalgamation of Petronet CCK Limited (Transferor Company) with Bharat Petroleum Corporation Limited (Transferee Company). It has been stated that the transferor company is a wholly owned subsidiary of the transferee company and the cost of maintaining a separate company is higher. The amalgamation will enhance operational and financial efficiency and for capturing economies of scale. The Ministry of Petroleum & Natural Gas vide letter No R-42011/2015-OR-II dated 25.01.2018

conveyed the approval of the Government of India for the merger of Transferor Company with the Transferee Company. All the employees of the Transferor Company shall become the employees of the Transferee Company from the effective date of scheme.

6. The Scheme of Amalgamation has been approved by the Board of Directors' of the Transferor Company in its meeting held on 12.09.2017. The petition of Transferor Company is supported by the affidavit of Shri V.Mohan Nair, Managing Director of the company. The shareholders of the Transferor Company have consented to the Scheme of Amalgamation.

7. The Scheme of Amalgamation has been approved by the Board of Directors' of the Transferee Company in its meeting held on 12.09.2017.

8. After the hearing, this Ministry, vide order dated 28.02.2018, directed the transferor company to send notice to the Unsecured Creditors of the company and to publish notice of the same in local newspapers i.e. Indian Express in English and Malayala Manorama in Malayalam. Reports from the Regional Director Southern Region and Western Region; Registrar of Companies, Mumbai and Kochi; Official Liquidator, Kochi; Jurisdictional Income Tax Authorities and other Statutory Authorities mentioned in the scheme were also called for on the proposal of the Company. In view of consistent view taken by various High Courts and NCLT, the requirement of filing a separate application by the Transferee Company was dispensed with. Also convening the meeting of equity shareholders and unsecured creditors of applicant/transferor company was dispensed with and there are no secured creditors at the time of filing of petition.

9. In pursuance of Order dated 28.02.2018, the transferor company has filed Confirmation Petition on 01.05.2018 along with original paper cuttings of the notice published in "Indian Express" in English & "Malayala Manorama" in Malayalam on 10.04.2018 inviting objections, if any to the scheme. Further, the company has issued notice to its unsecured creditors. The company has stated that pursuant to the notice it has received objection from one unsecured creditor namely M/s Indian Devices and Engineering Corporation (IDEC) to whom the company owes rupees One lakh which is the EMD sent by IDEC while applying for a tender for commissioning electro hydraulic actuator control system. In its reply to the objector, the company has acknowledged the receipt of one lakh and has stated that the EMD amount of unsuccessful bidders would be returned after completion of due process. The reply of the company is satisfactory.

10. The Regional Director, Mumbai and Chennai in their report dated 27.04.2018 and 24.04.2018 respectively have reported no adverse comments against the scheme of amalgamation.
11. The Registrar of Companies, Mumbai vide his reports dated 19.04.2018 has reported that the transferee company has filed balance sheets and annual return for the year ended 31.03.2017 and the case may be decided on merits. The Registrar of Companies, Kochi, has reported in his report dated 04.04.2018 that no complaints, investigation are pending against the company.
12. The Official Liquidator, Kochi vide his report dated 06.04.2018 has reported that his office has not received any complaint against the proposed Scheme from any person/party interested in the Scheme and the interest of the employees/creditors/public will not be adversely affected by the scheme.
13. The Scheme of Amalgamation proposed by the applicant company has been examined. The views and comments of the Regional Director, Western Region & Southern Region, Ministry of Corporate Affairs, Registrar of Companies, Mumbai & Kochi and Official Liquidator, Kochi have also been considered. The Confirmation Petitions filed by the company from time to time and the submissions made by the officials of the companies during the hearings held in the Ministry have also been considered. In view of the above facts, the publication of the notice of the Scheme in national newspapers and individual notices to creditors, the necessity of holding a meeting of creditors of the company to consider the Scheme has not been felt and therefore, the meeting of the Unsecured Creditors of the Transferor Company was dispensed with. As all the shareholders of the transferor company have given consent letters, the meeting of equity shareholders of Transferor Company was also dispensed with.
14. For considering the proposal of amalgamation, the procedure as required under the provisions of the Companies Act, 2013 read with NCLT Rules, 2016 was followed and transparency was maintained during the proceedings. Sufficient opportunity was provided to all concerned by way of giving direction to the applicant company for publishing the notice of the Scheme or supplying copies of the Scheme to anyone who required so with a view to eliciting views of all concerned to the proposed Scheme.
15. It is noted that the Scheme contains no features detrimental to the interest of the employees of the Transferor Company or Transferee Company. Upon the Scheme becoming effective, all employees of the Transferor Company as on the appointed date shall be deemed to be the employees of the Transferee Company employed without any breach or interruption of service and subject to the

provisions of the Scheme, on terms and conditions not less favorable than those applicable to them as on appointed date.

16. The said Scheme does not violate any statutory provisions and amalgamation is not against public interest. The validity of all the actions, proceedings and obligations of the Transferor and Transferee Companies continues even after the implementation of the Scheme. Therefore, no person holding any claim or right against the Transferor or Transferee Company prior to the Scheme coming into effect would be prejudicially affected even after the implementation of the Scheme.

17. In view of the aforesaid facts and circumstances and having regard to the averments made in the petition and during the course of the hearing, submission made by the companies and further considering the reports of the concerned Regional Directors, Registrar of Companies' and Official Liquidator, the Scheme of Amalgamation of the Transferor Company with the Transferee Company is found to be in order and hence the prayer for sanction of the Scheme of Amalgamation deserves to be allowed.

18. Now, therefore, the sanction of the Central Government is hereby accorded to the Scheme of Amalgamation of Petronet CCK Limited (Transferor Company) with Bharat Petroleum Corporation Limited (Transferee Company) under section 230-232 of the Companies Act, 2013. The Scheme shall be binding on the shareholders and creditors of the Transferor Company and Transferee Company and all concerned with effect from 01.04.2017, being the appointed date for coming into force of the said Scheme.

19. Consequent to the amalgamation of the companies, and the Scheme taking effect:-

- (i) The Transferor Company shall stand dissolved without the process of winding up;
- (ii) All the property/assets, rights and powers of Transferor Company shall be transferred without further act or deed to the Transferee Company in accordance with the Scheme, and accordingly the same shall, pursuant to section 232(3) of the Companies Act, 2013 be transferred to and vested in the Transferee Company for all the estate and interest of Transferor Company therein;
- (iii) All the liabilities and duties of Transferor Company shall be transferred without further act or deed to Transferee Company in accordance with the Scheme and accordingly the same shall, pursuant to section 232(3) of the Companies Act, 2013 be,

- transferred to and become the liabilities and duties of Transferee Company;
- (iv) All Court cases/proceedings, now pending by or against the Transferor Company shall be continued by or against Transferee Company; and,
  - (v) The Applicant Companies shall apply the Accounting Standards as laid down under Section 133 of the Companies Act, 2013.

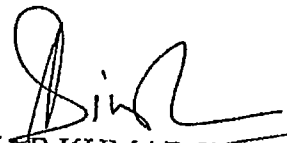

20. It is further ordered that the parties to the Scheme or other persons interested in the Scheme are at liberty to apply for any direction that may be necessary for working of the said Scheme.

21. It is further ordered that Transferor and Transferee Company shall file with the Registrar of Companies, Mumbai and Kochi a certified copy of this order within 30 days of the receipt of the same, in Form No.INC 28.

22. A copy of the order be made available to the parties concerned.

SCHEME OF AMALGAMATION  
OF  
PETRONET CCK LIMITED  
WITH  
BHARAT PETROLEUM CORPORATION LIMITED  
AND  
THEIR RESPECTIVE SHAREHOLDERS

(UNDER SECTIONS 230 TO 232 OF THE COMPANIES ACT, 2013 AND  
OTHER APPLICABLE PROVISIONS OF THE COMPANIES ACT, 2013)

(A) PREAMBLE

This Scheme of Amalgamation ("Scheme" as defined hereinafter) provides for the amalgamation of Petronet CCK Limited (Corporate Identification Number: U60300KL1998PLC012336) with Bharat Petroleum Corporation Limited (Corporate Identification Number: L23220MH1952GOI008931) pursuant to provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013. This Scheme also provides for various other matters consequential thereto or otherwise integrally connected therewith.

(B) DESCRIPTION OF COMPANIES

1. Petronet CCK Limited (herein after referred to as "Transferor Company") is a wholly owned subsidiary of the Transferee Company (as defined hereinunder). The Transferor Company is a transportation company. It is engaged *inter alia* in transporting petroleum products (Petrol, Diesel and Kerosene) through a 292 km long multiproduct pipeline for the Transferee Company. Product deliveries to the Transferee Company are made from terminals provided in Kochi, Irugur and Karur.
2. Bharat Petroleum Corporation Limited (herein after referred to as "Transferee Company") is a Government of India Enterprise listed on BSE Limited and National Stock Exchange of India Limited. The Transferee Company is engaged *inter alia* in the business of refining of crude oil and marketing petroleum products. It also carries out upstream operations, which involves exploration and production (E&P) of hydrocarbons, through its wholly owned subsidiary Bharat Petroresources Limited. The Transferor Company transports petroleum products through a dedicated pipeline for the Transferee Company. This pipeline was constructed primarily for the evacuation of product from Kochi Refinery. The capacity utilisation has been steadily increasing and with the commissioning of additional units at Kochi Refinery, the pipeline will be fully utilised for evacuation of Kochi Refinery products. Further, in anticipation of the merger, the Transferee Company has obtained approval from Petroleum and Natural Gas Regulatory Board ("PNGRB") for extending the same pipeline from Coimbatore to Bangalore. For integrated operations and control, it is essential for the entire pipeline to be controlled by one entity. PNGRB has declared the Transferor Company's pipeline as a "dedicated pipeline" and not as a common carrier.

The Transferee Company has laid and/or is currently operating product and crude pipeline network of about 3000 KM across India. Sufficient expertise has been developed in operating and maintaining the pipelines. The merger of the Transferor Company with the Transferee Company will lead to having a common setup, spares, maintenance and safety standards. Further, the Transferor Company's finance cost as a standalone company is comparatively higher. As such, maintaining a separate company for only 292 kms of pipelines is not justified and for enhanced operational and financial efficiencies and for capturing economies of scale, it is proposed to merge the Transferor Company with the Transferee Company.

The amalgamation is in the interest of the shareholders, creditors and all other stakeholders of the respective companies and is not prejudicial to the interests of the concerned shareholders, creditors or the public at large.

(D) OPERATION OF THE SCHEME

The amalgamation of the Transferor Company with the Transferee Company will combine their business activities and operations into a single company with effect from the Appointed Date (defined hereinafter) and shall be in compliance with the provisions of the Income-tax Act, 1961, including Section 2(1B) or any amendments thereto.

The shares of the Transferor Company shall be cancelled and no shares shall be issued by the Transferee Company pursuant to the amalgamation.

(E) PARTS OF THE SCHEME:

This Scheme is divided into the following parts:

PART I deals with the definitions, interpretations and share capital of the Transferor Company and the Transferee Company;

PART II deals with the amalgamation of the Transferor Company with the Transferee Company and other related matters;

PART III deals with the reorganization of share capital of the Transferee Company; and

PART IV deals with general terms and conditions applicable to this Scheme and the dissolution of the Transferor Company.

Further, the authorized signatory of the petitioner companies furnished an affidavit on 27.05.2022 to this ministry, wherein they have submitted that in response to the newspaper advertisements published on 14.05.2022, the Advocates for the petitioner companies have received an email dated 17.05.2022 from one Advocate Ramesh Mishra purportedly on behalf of "Employees" of Bharat Oman Refineries Limited, i.e. (BORL). However, Mr. Mishra has failed to identify or provide any documents to show which employees of Bharat Oman Refineries Limited he purportedly represents. Mr. Mishra has inter alia stated that his clients are eligible for the benefits of PSUs from 1<sup>st</sup> July 2021 and Bharat Petroleum Corporation Limited and its officials should disclose the terms & conditions related to absorption or transfer of employment to his clients "Employees of Bharat Oman Refineries Limited. It is further submitted that in any event the Scheme does not in any manner prejudicially affect the rights/employment of any employees of the Transferor company. In terms of clause 5 of the scheme, upon the scheme becoming effective, any employee who is in employment of the Transferor Company as on effective date, shall become employee of the Transferee Company on terms and conditions not less favourable than those on which they are engaged by the Transferor Company and without any interruption in service and the service of the all such employees prior to the transfer shall be taken into account for the purposes of all existing benefits to which the said employees are eligible, including retrenchment compensation, provident fund, etc. entitled to as employees of the Transferor Company. Further, it is submitted by the Transferor Company with regard to the complaint that allegations/grievances/concerns raised by Mr Mishra lack clarity and basis and are speculative and misplaced. Further, the petitioner companies referred the two judgements, one of the Hon'ble Supreme Court in Hindustan Lever Employees' Union vs Hindustan Lever Limited and Ors. [AIR 1995 SC 470], and stated that it is trite law that courts shall not interfere in a scheme, especially when the employees will continue to enjoy their old service conditions (at minimum) under the new management and secondly, referred the judgement in the case of IPCL Employees Association and Ors. Vs Indian Petrochemical Corporation Limited [(2011) 161 CompCas 627 (Guj)], and stated that no employee of the Transferor Company has any locus to object to the Scheme being carried out between the Petitioner Companies since they are neither shareholders nor creditors of the Transferor Company and there is no provision of law that requires the Petitioner Companies to seek the consent of employees before seeking sanction to any scheme of amalgamation or scheme of demerger. The petitioner companies further submitted that the ministry is not the appropriate forum for the employees of the petitioner companies to raise any grievances pertaining to terms of their employment, and those proceedings will be disposed of in accordance with law by appropriate authorities under the relevant statutes.

23. That, a final hearing in the matter was held on 27.05.2022 and the issues raised in the two complaints as mentioned under para 20 of this order were discussed at the time of hearing. [AIR 1995 SC 470], (ii) in the case of IPCL Employees Association and Ors. Vs Indian Petrochemical Corporation Limited [(2011) 161 CompCas 627 (Guj)]. The observations of RD(NWR) along with observations of ROC(Gwalior), observations of RD(WR) along with observations of RoC(Mumbai) and the observations of OL(Indore) were also discussed during the course of hearing which were replied by the representative of the petitioner companies to the satisfaction of RD(NWR), ROC(Gwalior), RD(WR), ROC(Mumbai) & OL (Indore) in their virtual presence.

24. With reference to Clause 11.3 (Part-III) of the Scheme, wherein the Transferee Company intends to alter the Memorandum of Association (MoA) and Articles of Association (AoA) and also intends to increase their authorized share capital, it is directed that Transferee Company shall follow the provisions of the Companies Act, 2013.

25. For considering the proposal of amalgamation, the procedure as required under the provisions of the Companies Act, 2013 read with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 was followed and transparency was maintained during the proceedings. Sufficient opportunity was provided to all concerned by way of giving direction to the Applicant Companies for publishing the notice of Scheme or supplying copies of the Scheme to anyone who required so with a view to eliciting views of all concerned to the proposed Scheme.

26. The said Scheme does not violate any statutory provisions. It is fair, just, sound and is not against any public interest. The validity of all the actions, proceedings and obligations of the Transferor and Transferee Companies continues even after the implementation of the Scheme. Therefore, no person holding any claim or right against the Transferor or Transferee Company prior to the Scheme coming into effect would be prejudicially affected even after the implementation of the Scheme.

28. Now, therefore, the sanction of the Central Government is hereby accorded to the Scheme of Amalgamation between M/s Bharat Oman Refineries Limited (BORL/Transferor Company) and M/s Bharat Petroleum Corporation Limited (BPCL/Transferee Company) under section 230-232 of the Companies Act, 2013. The Scheme shall be binding on the shareholders and creditors of the Transferor Company and Transferee Company and all concerned with effect from 01.10.2021, being the appointed date for coming into force of the said Scheme.

29. Consequent to the amalgamation of the companies, and the Scheme becoming effect:-
